1 Usually in such cases before the acquisition is sanctioned in the respective Branch, this branch's opinion will be ascertained as to the waiving of conversion fine and then the orders would be issued in that Branch. Since acquisition in this case orders regarding acquisition are issued in the MLBr, the orders regarding conversion fine may perhaps also be issued from that branch itself

we have to be dealt with
New Br. and Rules as approved

as that Br is the Administrative

deals with conversion fine under
the Land Revenue Rules thereunder
It is for this reason that the case
has been sent to that Br which
is the appropriate Br to issue

Subd,

24) The Municipal Branch was consulting the Revenue Secretariat in the matter of waiving the Conversion fine before sanctioning the acquisition of lands. After the opinion in the matter the file was usually returned to the Municipal Branch for taking necessary action in both the cases (ie regarding sanctioning the acquisition and the waiving of Conversion fine) In the present case since a Govt order has issued regarding the acquisition action has to be taken in the Revenue Branch in the matter of waiving the Conversion fine

It is for orders whether the draft G O put up may issue
